

# SEO Manager

Based - Bristol City Centre., office and remote working.

Join Vivid Agency and take the next major step in your SEO career.

We are looking for an ambitious SEO professional with strong account management experience who is ready to move into a bigger, more strategic role with real ownership and progression.

This is an opportunity to help shape and grow our SEO offering while working closely with clients, leadership, and the wider digital team. If you have experience managing SEO campaigns and client relationships, and you're now looking for a role where you can make a bigger impact, we'd love to hear from you.

## The Role

As SEO Manager, you'll play a key role in developing and expanding our SEO department. You'll manage client strategy, lead performance initiatives, and help build scalable SEO processes as we aggressively grow this side of the agency.

This role is ideal for someone currently working in:

- SEO Account Manager
- Senior SEO Executive
- SEO Strategist
- SEO Specialist

...who is ready to progress into a more senior position with leadership opportunities and long-term career growth.

## Location & Working Style

- Based in Bristol
- Office located in the Old City
- Flexible working environment

## What You'll Be Doing

- Managing SEO strategy across a range of client accounts
- Building strong client relationships and leading performance discussions
- Developing SEO growth plans focused on rankings, traffic, and conversions
- Conducting technical SEO audits and coordinating implementation

- Leading on keyword research, content strategy, and on-page optimisation
- Supporting link-building and authority growth campaigns
- Creating clear performance reports and presenting insights to clients
- Collaborating with paid media, content, and web development teams
- Helping shape internal SEO processes and future team growth

## What We're Looking For

- Experience in SEO account management or client-facing SEO roles
- Strong understanding of technical, on-page, and content SEO
- Experience using SEO tools
- Confidence managing client communication and strategy meetings
- Commercial awareness and understanding of business growth objectives
- Organised, proactive, and eager to take ownership
- Agency experience preferred

Most importantly, we're looking for someone ambitious. Someone who wants to grow their career, take on more responsibility, and become a key part of a fast-growing agency.

## Why join Vivid?

- Genuine career progression opportunities
- Chance to help shape a growing SEO department
- Supportive and ambitious team culture
- Flexible working
- Central Bristol office in the Old City
- Competitive salary
- 28 days holiday per year.
- Exposure to a variety of exciting brands and campaigns
- Opportunity to grow into senior leadership as the department expands
